Weather permitting I'm heading for Strumpshaw Fen from Kent early this Friday 2nd June hoping to see Swallowtail for the first time. Currently travelling (by car) alone but room for 1 or 2 members/diarists if you can make TN10 by 0730. I would welcome the company and expertise! PM me if interested.

Hopefully i'll have something to report on here come the weekend!

Dene Park today. Didn't think i'd would have any joy with it being heavily overcast and 18C. But then someone important dropped in for lunch!

Cracking stuff Kentishman, that's the way with Emperor's; expect the unexpected 😊 🇹🇲

Have a goodun
